The text 'birdie blooms' is written in a white, elegant cursive script. The word 'birdie' is on the top line, and 'blooms' is on the bottom line. A small bird is perched on the top of the letter 'i' in 'birdie'. There are three stylized flowers: one on the left side of 'birdie', one on the top of the letter 'd' in 'birdie', and one on the right side of 'blooms'. The entire graphic is set against a dark, blurred background with warm tones of red, orange, and green.
